

**Mental Health America of NKY & SWOH & The P.I.E.R.
Client Service Referral Form**

We are a goal-oriented agency that offers support for participants who want to help themselves in recovery. Our staff members are survivors of mental and substance use disorders and professionals that are passionate about being here when needed for guidance. Individuals active in MHA's support services are living healthy, safe and productive lives in the community. Please mark the services you feel your client needs assistance with:
