- 4) Ask pharmacy if prescriptions can be charged (*smaller independent pharmacies are more likely to allow this, not larger pharmacies such as Walgreen's, Kroger's, CVS, etc.*)

### ***Long-term Assistance***

- 1) Psychiatrist / family doctor can apply for patient assistance programs through the pharmaceutical companies. The name of the pharmaceutical company that distributes your medication should be on the prescription label on your medicine bottle. On the back of this sheet is a list of the 1-800 #'s for the most common pharmaceutical companies & the medications offered through their patient assistance programs? Keep in mind that any controlled substances (such as Valium, Klonopin, etc.) are not available.
- 2) Contact Community Based Services (food stamp office; 292-6600) to determine eligibility for Medicaid (KY medical card that covers most medications)
- 3) North Key Community Care has some assistance available for clients who are seeing one of their psychiatrists on a regular basis; prescription must be written by a North Key psychiatrist & the client must go to a specific pharmacy and will only pay a "service fee," approximately \$ 5 per prescription. Call 331-3292 for more info.
